

SOWING THE WIND IN GAZA, REAPING THE WHIRLWIND IN LONDON

By Don Feder

Posted July 15, 2005

“Nation of Islam and Arab nation: Rejoice for it is time to take revenge against the British Zionist Crusader government in retaliation for the massacres Britain is committing in Iraq and Afghanistan. The heroic mujahideen have carried out a blessed raid in London. Britain is now burning with fear, terror and panic in its northern, southern, eastern and western quarters,” communiqué from The Secret Organization of Al Qaeda in Europe taking responsibility for Thursday’s terror attacks in the heart of London.

Isn’t it obvious what our response to the London bombings should be? British Muslims must have their own state – a homeland carved out of the United Kingdom.

Let’s give adherents of the religion of peace Southern Scotland, part of Wales, and a dozen or so square miles in and around London. Of course, non-Muslim Brits will have to be driven from their homes. While Muslims will be allowed to continue living in the rest of the U.K., their new state must be ethnically pure.

We’ll also need to arm and train the military forces of the Islamic Republic of Britain. And bestow billions in aid on them. And, if British mosques continue to incite the faithful to slaughter infidels, if terrorist incidents multiply ... just ignore them. Even if it’s obvious that whatever land British Muslims get will be used as a base to conquer the rest of the Crusader entity, continue to pretend that war is peace.

We mustn't allow reality to intrude on the illusion of peace for land, of peace with monsters who thirst for human blood, of peace at any price.

Following the London massacre, President Bush promised "We will not yield to the terrorists." But our president has spent three years pressuring Israeli Prime Minister Ariel Sharon to do just that. The first installment, yielding Gaza to the Palestinians for nothing down, will soon come due.

In just a few weeks, 10,000 Jewish residents of Gaza will be forcibly removed from their homes, businesses, farms and communities – from land they've lived on for decades. Israel will become the first nation in history to ethnically cleanse its own people.

But that's just the beginning. Bush, Blair and other Western leaders are determined to hand over to Holocaust-denier Mahmoud Abbas (who just invited Hamas and Islamic Jihad to join his government) all of Judea and Samaria (designated the West Bank) – and ancient Jerusalem.

When our president welcomed Abbas to the White House recently, and praised Arafat's successor for "rejecting violence," Bush insisted that Israel retreat to its 1949 borders – which Abba Eban called "Auschwitz borders." Any territory that Israel wishes to retain (to make it harder for the non-violent Abbas to rain Katyusha rockets on Tel Aviv and Haifa) must be "mutually agreed upon." Tell me, Mr. Hitler, how much of Czechoslovakia will the Czechs be allowed to keep? And are you really promising them perpetual peace in return for the Sudetenland?

Consider how well the 1993 Oslo Accords have worked. Under Yitzhak Rabin, Israel allowed Arafat and his scum to set up

shop in Ramallah. Jerusalem armed his Waffen-SS. America and Europe subsidized his regime. Israel turned over control of all major Arab population areas to the so-called Palestinian Authority.

In return, Israel got bus bombings, unarmed soldiers torn limb-from-limb by Palestinian lynch mobs, pregnant women and children shot to death in roadside ambushes, elderly Holocaust survivors attending Passover seders buried under tons of rubble, and 13-year-old boys dragged to caves and stoned to death. In all, more than 1,500 Israelis have been martyred – while thousands more were critically injured.

That's a bitter taste of things to come, courtesy of Sharon, Bush, Blair and the rest of the well-meaning/hopelessly naïve Neville Chamberlain cadre.

- General Moshe Ya'alon, outgoing chief of staff of the Israeli Defense Forces, predicts: “Evacuating the settlements will give a tailwind to terrorism ... This Gaza plan will blow up in our faces.”
- General Yaacov Amidror, former head of the research and assessment division of the IDF warns, “Leaving Gaza creates a dangerous possibility that Hamas will provide a Gaza safe haven for al-Qaeda ... including operational, logistical and financial sanctuary there.”
- Senior Hamas commander Mahmoud al-Zahar gloats that the ethnic cleansing of Gaza (scheduled to begin before August 15) and the unilateral Israeli withdrawal, is “proof of our victory. The withdrawal is an important achievement of the Palestinian people – its intifada and armed struggle, and the usefulness of employing an armed struggle and its ability to attain political objectives.”
- According to a confidential Hamas memo, published in the July issue of WorldNetDaily's Whistleblower

magazine, al-Zahar promised that once Gaza is in terrorist hands, the Palestinians will use it to accelerate the “armed struggle” to drive the Jews from “all territories.” Perhaps they’ll rename Tel Aviv Yasser Arafat City.

Not far from the site of today’s horror is Churchill’s War Cabinet Rooms – the underground bunker where the prime minister ran Britain during World War II. Churchill would have treated the betrayal of the Jewish communities of Gaza with the scorn he expressed for the Munich agreement. In 1938, Winston Churchill warned the House of Commons:

“And do not suppose that this is the end. This is only the beginning of the reckoning. This is the first sip, the first foretaste of the bitter cup which will be proffered to us year by year unless by a supreme recovery of moral health and martial vigor, we arise again and take our stand for freedom as in the olden time.”

The Bible put it another way: “For they sow the wind, and they will reap the whirlwind” (Hosea, 8:7). London is a puff of air compared to what will follow if the West continues to push Israel down the road to national suicide.
